#### GREATEST WAY TO DO CHURCH

Do you like being different?

If today's church is ever to do and be what Christ needs us to be then we have to be different.

The early church was VERY different!

## GREATEST Acts 2:42-47

1. They based their lives on the teachings of the apostles, which in reality was the teaching of Jesus.

## 1 Peter 2:2 "Like newborn babies long for the pure milk of the word, that by it you may grow in respect to salvation."

Do the right thing according to the Lord and leave the consequences up to Him.

## This foundation in the Word led them to do other things that put their church in position to be blessed greatly by the Holy Spirit.

2. They believed in and thrived in the midst of God doing amazing, mighty works.

### That which is spirit is spirit and that which is flesh is flesh.

3. They prayed.

Through prayer Jesus guides us, encourages us, empowers us and assures us of His presence in us.

4. They genuinely cared for one another with both their words and their deeds.

5. They were worshippers-both as individuals and as a group.

When do you worship Jesus?

6. They were joyful and generous.

7. They were thankful.

8. They were infectious.
